2635. SHRI BHUPINDER SINGH MANN: Will the PRIME MINISTER be pleased to state the educational institutions which have been provided computers under MP's Local Area Development scheme and the number of computers provided district-wise in each State?

THE MINISTER OF STATE IN THE MINISTRY OF NON-CONVENTIONAL ENERGY SOURCES (PROFESSOR P.J. KURIEN): The information is being collected and will be laid on the Table of the House.

Primary Health Care Centres in North-Eastern States

2636. SHRI PARAG CHALIHA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the number of Primary Health Care Centres in Assam and other North-Eastern States aided by Central Government, State-wise; and

(b) the assistance sanctioned, state-wise, during the last five years and utilised by each State, year-wise and the reasons for not utilising whole of the

assistance by the respective States and the action taken by the Central Government in the matter?

THE MINISTER OF HEALTH AND FAMILY WELFARE (SHRI A.R. ANTULAY): (a) and (b) The Details showing the number of Primary Health Care Centres are given in Statement] (*See* below). The CHCs and PHCs are maintained under State Sector Minimum Needs Programme. A statement showing the allocation under Minimum Needs Programme during the 8th Five Year Plan period and expenditure incurred by the States is annexed, [*See* Appendix 175, Annexure No. 62]. The financial assistance to the states for the maintenance of Sub-centres is provided by Central Government under the Centrally Sponsored Scheme. The details showing the assistance provided to the states for the maintenance of Sub-centres are given in the enclosed Statement II (*See* below). As these Sub-centres already exist in the state the question of non utilisation of funds does not arise. In addition, the World Bank assisted IPP-IX Project is under implementation in the entire State of Assam for a period of seven years w.e.f. 16th June, 1994, at a total cost of Rs. 101.22 crores. The Project envisages among other things upgradation of 100 existing State Dispensaries to Primary Health Centres and construction of 600 Sub-centres. The Government has reported an
